

# Science Week in Second Grade

In Ms. Haley's second grade classroom, we have been busy learning about the life cycle of a frog. On Tuesday, we will be wrapping up the frog life cycle with a chapter review test. The rest of the week will be dedicated to learning about plant life and recycling with a guest speaker and a field trip and nature walk at the end of the week. This is going to be a fun and exciting science filled week. **REMINDER: Permission slips for the nature conservation are due Friday March 25.**
